

CLOUD PROVIDERS

AWS	Networking & Content Delivery								Analytics Services					AWS Applications					
AI/ML Services								Storage Services					Data Integration & Migration						
Compute Services								Database Services											
Microsoft Azure	Networking & Content Delivery								Database Services					Storage Services					
AI/ML Services								Analytics Services					Data Integration & Migration						
Compute Services								Azure Applications											
Google Cloud Platform	AI/ML Services								GCP Applications				Data Integration & Migration						
Networking & Content Delivery								OCI Applications				Storage Services							
Analytics Services								IBM Applications											
Compute Services								Database Services											
Broadcom	Infrastructure Software								Management & Operations					Integration & Middleware					
Broadcom Applications								Data & Analytics											
Security & Compliance								Application Development											

CROSS-CLOUD CAPABILITIES

Cross-Cloud Services	Satellite & Edge Computing						Multi-Cloud Security						Integration & DevOps			
Cross-Cloud Services	Multi-Cloud Networking						Multi-Cloud Analytics
